

Here's some great news: In addition to our 10% base commission, you can now earn a bonus when you sell our individual and family plans. We've already made it easy for your prospects to use your unique broker URL to enroll in these plans; now earn even more when they do!

The basics:

- Share your unique broker URL with prospects
- Earn up to \$1,800 per four-month bonus period on new individual policies sold via your URL
- Receive your bonus after the close of the bonus period

Don't have your unique URL yet? Get appointed at [SellSmiles.com](https://www.sellsmiles.com) today.

Stay tuned for more information on this tiered bonus program over the next few weeks.

If you have any questions on our individual and family plans or this program, please call or email me.
