

Dear Allison,

Thank you for your continued partnership with Delta Dental of New Jersey or Delta Dental of Connecticut. We value you and appreciate your business.

We recognize that, due to the COVID-19 health crisis, group customer employees and individual/family policyholders may not have been able to fully use their dental benefits for routine, non-emergency care. Accordingly, they will receive a **30% credit** for premium payments for the months of April, May, and June 2020. The credits will be applied as follows:

- July's invoice will reflect the 30% credit for April's premium
- August's invoice will reflect the 30% credit for May's premium
- September's invoice will reflect the 30% credit for June's premium

July, August, and September invoices will reference the month for which the credit applies, the amount of the credit, and the net amount due for the billed month.

There is no further action required for them to receive the premium credit.

If you have any questions on payment amounts or applicable grace periods, we're here to help; call your Account Team for additional assistance.

Sincerely,

Jeff Furbish
