

Important Information Regarding Online Certification Training

The Get Covered New Jersey Online Certification Training is off to a great start. We are excited to have so many Brokers, Agents, Navigators, and Certified Application Counselors on board this year. As part of the new New Jersey-focused training program, GetCoveredNJ is hosting a series of weekly Continued Learning Sessions.

As a reminder, all Assisters must attend the first two Continued Learning Sessions and choose at least three additional Continued Learning Sessions of their choice to satisfy the GetCoveredNJ certification requirements.

Our first Continued Learning Session, titled "Welcome to Get Covered New Jersey," will be held on **Thursday, September 24 at 3:00pm**. The session will orient you to our new Marketplace and the benefits it will bring to New Jerseyans statewide.

In this Continued Learning Session, you will receive training on:

- What it means to be a State-based Marketplace and what's new on getcovered.nj.gov
- New Jersey-specific policies and consumer benefits
- A "first look" at the new GetCoveredNJ website, application, and convenient Assister portals
- Deep dive into the recently passed New Jersey Health Plan Savings program to lower the cost of healthcare for New Jerseyans
- The Get Covered New Jersey Consumer Assistance Center

Attendance of this Continued Learning Session is mandatory. All Assisters will receive a notification of this training assignment from the State of New Jersey Learning Management System and can join the session live or watch the session in review. We strongly encourage all Assisters to participate in the live session. Participants will be able to ask questions via the chat feature to be answered in future Continued Learning Sessions or Frequently Asked Questions (FAQs).

You can register for Continued Learning Sessions via your [MyNJ account on the NJ LMS platform](#). If you are having trouble accessing your MyNJ account or training, please contact the NJ LMS support team at CLIPeLearning.Support@csc.nj.gov.
