In order to help you be aware of some of the rules that govern HRA's, HSA's, and FSA's, we will be periodically providing information that will address some of the more frequent questions that are asked of us. Quite often there are exceptions to the general rule, so it is important to either contact us for clarification or contact your tax adviser when the circumstances differ from those contained in our summary.

We are pleased to provide you with additional guidance regarding the new Individual Coverage HRA. As you review the ICHRA with your clients and/or prospects and have any questions, please do not hesitate to contact us.
