# Coronavirus FAQs

Today, the Centers for Medicare & Medicaid Services (CMS) is posting Frequently Asked Questions (FAQs) on Essential Health Benefits Coverage in response to the 2019 Novel Coronavirus (COVID-19) outbreak. This action is part of the broader, ongoing effort by the White House Coronavirus Task Force to ensure that all Americans – particularly those at high-risk of complications from the COVID-19 virus – have access to the health benefits that can help keep them healthy while helping to contain the spread of this disease. The FAQs are shared to ensure individuals, issuers and states have clear information on coverage benefits for COVID-19, detailing existing federal rules governing health coverage that apply to diagnosis and treatment of COVID-19.
