# Marketplace 2020 Plan Information Now Available

On October 25, 2019, CMS launched updates to window shopping (the [“See plans & prices”](#) page on HealthCare.gov) that allows consumers and their agents and brokers to preview 2020 plans and prices before Open Enrollment begins. As in previous years, window shopping lets consumers browse plans without logging in, creating an account, or filling out the official application. Starting November 1, consumers can log in to HealthCare.gov and CuidadodeSalud.gov or call 1-800-318-2596 to fill out an application and enroll in a 2020 Marketplace health plan. Agents and brokers may also work with [direct enrollment partners](#) to enroll consumers in Marketplace plans for plan year 2020.

For more information, see these additional plan data resources released today:
