

Horizon BCBS COVID-19 Update: Telemedicine Cost Share Waiver

In an effort to promote social distancing and to support the public health effort to slow community transmission of COVID-19, effective immediately and through June 13, 2020, Horizon Blue Cross Blue Shield of New Jersey (Horizon BCBSNJ) is waiving member cost-sharing obligations for covered telemedicine services delivered by an in-network doctor or through Horizon BCBSNJ's telemedicine platforms.

The waiver applies to qualified telemedicine visits for any covered purpose, including diagnosis or treatment of COVID-19, routine care or mental health care. The waiver does not alter the benefits included in any member's plan; it only eliminates cost as a potential barrier to using telemedicine to get care.

As with the [previously announced](#) cost-sharing changes, the waiver change applies to Horizon BCBSNJ's fully insured members, and members covered by the State Health Benefits Program (SHBP) and School Employees' Health Benefits Program (SEHBP).
