## Horizon BCBS October 2020 Renewals Posted to your Dashboard

Horizon BCBS October renewals have been posted to your MIGDashboard account.

Our Renewal team will be reaching out to you to assist with re-certification and market analysis. We are also happy to help with preparing HRA/HSA modeling and generating proposals for additional ancillary products. We will be calling you to review each of your group's specific needs for their renewal decision as well as compile all required paperwork, SBC's and rate grids for the group.

Due to the declared public health emergency by the Governor and until it is lifted, Horizon BCBSNJ understands that the small employer community is working through many concerns. With regard to NJSEH, effective immediately, all April-July anniversary groups will be deemed compliant.

For groups that have already received termination notices from April through July effective dates, those terminations will be rescinded (unless the group has procured other coverage) and those groups will be deemed compliant and, instead, flagged for review next year. If a group wishes to terminate their small employer coverage, they need to submit a termination letter to Horizon BCBSNJ prior to their renewal date.

Please note that any group moving from Pre-ACA to ACA must be deemed compliant under the ACA regulations before their conversion can be submitted to Horizon.

I have also included some resources to assist with your Horizon Renewal:
