## Horizon Broker Education Series: Pager

As part of Horizon's continuing Broker Education Series, Horizon Blue Cross Blue Shield of New Jersey is pleased to announce the upcoming Broker WebEx: Pager.

This presentation will provide an overview of a new mobile chat platform that will allow members to chat with a Registered Nurse (RN) and get care advise when there is a health concern. The tool offers additional features such as telemedicine and assistance scheduling appointments with physicians.

The presentation is scheduled for one hour and will include an opportunity for questions.

Thank you in advance for your participation and we look forward to seeing you there.
