

Horizon BCBSNJ to Expand Its Laboratory Network

Horizon Blue Cross Blue Shield of New Jersey is expanding its laboratory network to help increase members' access to quality care. Beginning **January 1, 2019**, Horizon BCBSNJ members will have a greater choice of in-network laboratories for laboratory services performed in New Jersey (based on their plan benefits).

Effective **January 1, 2019**, Horizon's laboratory network will be as follows:

Horizon PPO Network

Members who are enrolled in plans that use the Horizon PPO Network will have access to the following in-network national laboratories:

- BioReference Laboratories
- Laboratory Corporation of America Holdings (LabCorp)
- Quest Diagnostics

Horizon Managed Care Network

Members who are enrolled in plans that use the Horizon Managed Care Network will have access to the following in-network national laboratories:

- LabCorp
- Quest Diagnostics

This expansion continues Horizon BCBSNJ's commitment to improving access to care, lowering overall costs and improving the member experience.
