

# Horizon Broker Education Series: Horizon CareOnline

As part of their continuing Broker Education Series, Horizon Blue Cross Blue Shield of New Jersey is pleased to announce the upcoming Broker WebEx: Horizon CareOnline

This presentation will provide an overview of the definition of Horizon CareOnline Telemedicine program. Members can access board certified doctors affiliated with the Online Care Group Network via video and phone features. There is no appointment necessary and doctors are available 24 hours a day, seven days a week. Patients can see a doctor online for a range of issues, from minor illnesses and injuries, symptoms from a chronic condition, and even general health and wellness concerns. Telemedicine allows for reliable and convenient doctor visits at any time with trained and certified physicians.

The presentation is scheduled for one hour and will include an opportunity for questions.

Registration is required and limited to 190 participants (information below).

Thank you in advance for your participation and we look forward to seeing you there.
