

Horizon Broker Education Series: Horizon Get Care

As part of their continuing Broker Education Series, Horizon Blue Cross Blue Shield of New Jersey is pleased to announce the upcoming Broker WebEx: New smartphone app - Horizon Get Care.

This presentation will provide an overview of the new Horizon Get Care powered by Pager app. Our new app for Horizon IHC OMNIA Health Plan members will provide seamless and convenient access to care when a health care need arises, 24/7.

The new app is free to download and allows members to:

- Chat with a nurse for free health care advice and get immediate advice about their health 24/7.
- Talk to a doctor in the comfort of their home by video and get a prescription if needed.
- Schedule appointments with nearby doctors and specialists in-network.
- Schedule physicals, vaccinations and more.

The presentation is scheduled for one hour and will include an opportunity for questions.

Thank you in advance for your participation.
