Improvements to the Small Employer Health Plus Plan (Bundle)

Horizon BCBS has revised their Small Employer Health Plus Plan (Bundle) employer applications used in the small group market

The improvements to the implementation process are as follows:

- A separate dental application is no longer needed
- The vision application has been revised to omit information already listed on the medical application
- A combined dental and vision application for existing groups adding the Horizon Health Plus Plan bundle
- More character fields in the USAbLe email address field
