Horizon BCBSNJ Offers Telemedicine Benefit

Tired of long waits in the emergency room? Wish OMNIA small group provided access to Blue Card? Telemedicine might be the answer you've been hoping for!

Horizon's pharmacy vendor, Prime Therapeutics, utilizes a nationwide network of pharmacies that's accessible on all Horizon plans. This is great news for members who travel- you can use the new Care Online app to see a doctor, and have the prescription sent right to a pharmacy near you, nearly anywhere in the US! The new app is available at both the App Store and Google Play. Members can also utilize this service via the website page and the toll-free telephone number.

This benefit offers a member experience that more clearly identifies Horizon CareOnline as a service of Horizon. American Well remains their telemedicine vendor, providing the doctor panel accessed through Horizon CareOnline.
