

Key Updates You May Have Missed

The **Marketplace Weekly Digest** is your weekly update on the Marketplace, including announcements and important dates and deadlines for agents and brokers.

Key Updates

- Consumers who were incorrectly denied access to a 2017 hurricane-related weather special enrollment period (SEP) will be able to select a 2018 Marketplace plan or make changes to their existing 2018 plan by May 24, 2018. [Learn more here.](#)
- We added a new badge on [Find Local Help](#) that shows consumers the number of years you've been registered for the Marketplace!

Consumers Still Need Your Help

- You can continue to assist small group clients with [Small Business Health Options Program \(SHOP\)](#) coverage.
- Consumers who are eligible for an [SEP](#) due to qualifying life events, such as a change in family, job, or income, can enroll in Individual Marketplace coverage throughout the year.
- Learn more about the important role you play in the Marketplace year-round by [clicking here.](#)

Registration and Training Reminder

- If you haven't started Marketplace registration and training yet, you're missing out on the ability to help consumers all year. [Get started here](#).
- If you've started, but not yet finished Marketplace registration and training, log in to your [CMS Enterprise Portal account](#) to finish.

Resources

- There's [a new tip sheet](#) that offers helpful suggestions on how to work with assisters operating in the Marketplace.
- We hosted a webinar on helping consumers transition from Marketplace to employer-sponsored coverage (and vice versa) last month. You can access [the webinar slides online](#).
- [This bulletin](#) shows where to record your [National Producer Number \(NPN\)](#) on the Marketplace applications you assist with.
- Connect with other agents and brokers working in the Marketplace by [following us on LinkedIn!](#)
