Help Dually Enrolled Clients Choose Their Best Coverage

Some of your clients may soon receive warning notices that they are dually enrolled in a Marketplace plan with advance payments of the premium tax credit (APTC) or cost-sharing reductions (CSR), while also enrolled in Medicaid or the Children's Health Insurance Program (CHIP).

If eligible for Medicaid or CHIP coverage, these clients will no longer be eligible for APTC or CSR and may have APTC and CSRs ended on their behalf.

Learn more by joining the **“Medicaid/Children's Health Insurance Program (CHIP) Periodic Data Matching (PDM): An Overview for Agents and Brokers”** on Wednesday, March 22, from 1:00 PM to 2:00 PM Eastern Time (ET).
