Employer Reporting Information Update

Employer Reporting forms/documents will be sent electronically starting the week of February 15th.

Any group that was enrolled in the Health Plan in 2021 will be receiving an email with the subject line: **Important - Annual Employer Reporting Information**. This email will also include filing instructions for both the IRS Employer Reporting Section 6055/6065 and the HIMPA mandate.

Small Groups will receive 1094b/1095b forms. These forms will need to be reviewed and completed by the employer and distributed and filed.

Large Groups will receive an enrollment spreadsheet which will be helpful in completing the 1094c/1095c forms. The employer is responsible for distributing and filing these forms.

Complete details regarding Small Group and Large Group filing requirements and timelines can be found on the IRS websites linked below.

As introduced in 2019, the **New Jersey Health Insurance Market Preservation Act (HIMPA)** requires employers to file with the State of NJ. For any groups that do not have an email address on file, MHPNJ will be mailing hard copies of the forms or information required.

If a group has not received an email by February 18th, 2022, please contact the Health Plan at MEWAenrollment@concordmgt.com.
