### HEADLINE

## Update on Oxford 1095-B tax forms!

Reminder: New Jersey and D.C. implemented state individual mandate requirement for 2019.

Although the federal level penalties have been removed for those who do not have health insurance coverage, some states have initiated their own individual mandate requirement for their residents.

Individuals who have resided in New Jersey or Washington, D.C. for any time during 2019 will be required to report if and when they had minimum essential coverage (MEC) on their New Jersey or D.C. tax returns in 2020.
