

Welcome to MIG's new secure email platform!

When we need to send you something securely, you'll receive an email that looks like this-

Allison Johnson <ajohnson@martinins.com>

To: ~~allisonjohnson@martinins.com~~

Jul 22 at 9:35 AM

Hi, Because you are receiving an email with potentially confidential information, I am sending this to you via SendSafely, which is Martin Insurance's secure way of sharing this email with you.

If you have any questions or concerns about clicking on the link in this email, you can call me at my phone number below.
