

A look at the week's most recent employee benefits & announcements

IN THE NEWS THIS WEEK

June 23, 2014

Horizon's new EPO Advantage PCMH plans are getting a lot of early traction. It is not surprising because the PCMH Network is extensive and impressive! Summit Medical Group is a ACO provider. Princeton Medical Group has PCMH PCPs. There are over 3,700 PCMH PCPs in the state. This is not a skinny network! Horizon selected high-end providers as partners and invested in their practices to increase quality and decrease cost.

- Premiums average 15% less than Horizon's existing lowest cost plans.
- Broker incentive bonus per contract for new business sales.
- Extended July conversion deadline to allow extra time for your clients to review the new plans.
