

Revision to Oscar's Q1 2019 New Jersey Small Group New Business Bonus Program!

Oscar's current bonus program has been modified due to NJ regulations. The revisions, which can be viewed by [clicking here](#), indicate that the bonus is \$50 per life (the higher of the two values in the previously issued documents), payable subject to the conditions laid out in page 2 of the revised document.

Please therefore disregard, and if possible, delete or destroy any prior versions of the previous document, and consider only [the revised version](#) when seeking or processing enrollments.
