Introducing a simpler, smarter, and more friendly health insurance company. At Oscar, helping members stay healthy and giving them access to great care is important to us, that's why all our plans include great coverage and great benefits. Here are some examples that we think you'll love:

## Get paid for being active

Oscar members can get a free Misfit Flash—a wearable device that tracks your activity, syncs with the Oscar app, and can help members earn up to \$240 each year just for staying active.

## 24-hour Doctor on Call

Talk to a board certified doctor over the phone anytime for free. Get prescriptions and advice for common ailments like ear infections, colds, pink eye, the flu, and more.

## Large provider and hospital network

Get access to the best providers and hospitals in the area. We make it easy to find doctors—search by location, languages spoken, schools attended, and more.

## **And there's so much more!**

Be sure to sign up by December 20th for coverage starting January 1, 2015.
