

Oxford Transitional Relief Renewals Posted to your Dashboard

June 2014 Oxford Transitional Relief Renewals have been posted to your MFGDashboard account.

As a reminder, back in November 2013, President Obama gave NJ Insurance Commissioners and state carriers the option to allow groups to renew into their non-ACA compliant plan for an additional year.

Oxford has decided to accept transitional relief by offering multiple options to groups with effective dates between Jan. 1, 2014 through Oct. 1, 2014:

- Elect the ACA-compliant plan sent in their 2014 renewal package
- Request ACA-compliant alternatives; or
- Renew their existing 2013 small group coverage (Transitional Coverage)

UnitedHealthcare is offering a bonus to agents who assist customers in adopting the "Transitional Coverage Option" with effective dates from April 1, 2014 through October 31, 2014. Agents will receive \$75 for each eligible group that elects the "Transitional Coverage Option" for renewal dates of April 1, 2014 through October 31, 2014.

For more information on this Bonus Program, please view [Oxford's Official Release](#).
