

Reminder: Updated Underwriting Height and Weight Guidelines for Multiple Products

On March 12, 2018 Bankers Fidelity® announced the new Underwriting Guidelines, marked with a (1-18) print date for the following products:

- Medicare Supplement (BFLIC and BFAC)
- Senior Security® Whole Life
- Vantage Flex 65®
- Vantage Recovery™

[Download the Guidelines](#)

All updated Insert Sheets immediately replaced existing underwriting guidelines, including any build charts that were contained in the Application Packages for these products and are automatically applied to any applications written on or after March 19, 2018.

Please use the attached Underwriting Guidelines and build chart by clicking "View Full Bulletin" above to write products. The application packages will be updated to the most current Underwriting Guidelines at reprint to include current information.

The new Insert Sheets are available in ADDS® for downloading, printing, and online ordering. If you have any questions please contact the Underwriting Department at 866.458.7501 or email underwriting@bflic.com.
