Live Today: Help On Demand Feedback Questionnaire

Today, the Centers for Medicare & Medicaid Services (CMS) launched the Help On Demand Feedback Questionnaire to get opinions from participating agents and brokers on how to improve the new referral service. This is your chance to provide feedback. Please watch for the email to access the link and take five minutes to give us your feedback on topics central to Help On Demand design and operations, including:

- Referral Notifications
- Training
- Help Desk Assistance

This is your chance to help the Centers for Medicare and Medicaid Services (CMS) make the Marketplace, and Help On Demand, work better for you! We value your insights and look forward to hearing your opinions!

Hurry, as the questionnaire closes next week on **March 23, 2018**.

Consumers Still Need Your Help

Consumers need your help all year round. As an agent or broker, you play an important role in three key areas:

Enrollment Assistance

You can continue to assist small group clients with [Small Business Health Options Program \(SHOP\)](#) coverage. Consumers who are eligible for a [special enrollment period \(SEP\)](#) due to qualifying life events (e.g., a change in family composition, job, or income) can enroll in Individual Marketplace coverage throughout the year.

Post-Enrollment Assistance

Outreach and Education

You can provide consumers with [educational information](#) about their coverage and the Marketplace.

Special Enrollment Period Verification (SEPV)

New applicants (i.e., those who are not already enrolled in Marketplace coverage) who attest to eligibility based on certain types of SEP qualifying events are subject to the SEPV process.

These consumers must submit documents that confirm their SEP eligibility before the Marketplace finalizes their enrollment and they can make their first payment and start using their Marketplace coverage.

Existing Marketplace enrollees who attest to SEP qualifying events are not subject to SEPV.

SEP qualifying events subject to SEPV are as follow:

- Loss of minimum essential coverage
- Permanent move
- Marriage
- Gaining or becoming a dependent through adoption, placement in foster care, or a child support or other court order
- Denial of coverage through Medicaid or the Children's Health Insurance Program (CHIP).

Be Sure Your Clients Review Form 1095-A

By now, consumers should have received their Health Insurance Marketplace Statement (Form 1095-A) by mail or in their [HealthCare.gov account](#). The Form 1095-A is a prepopulated tax form, which consumers use when preparing their federal income tax return to [reconcile advance payments of the premium tax credit \(APTC\)](#) and or to claim the [premium tax credit \(PTC\)](#).

As an agent or broker, you can help your clients understand that mistakes on their Marketplace enrollment application may lead to inaccuracies in their Form 1095-A.

Be sure that your clients log in to their [HealthCare.gov account](#) to both download their Form 1095-A and confirm their information is correct.

If your clients identify errors on their Form 1095-A, direct them to contact the [Marketplace Call Center](#) to resolve inaccuracies.

Note: You may want to let your clients know that the monthly enrollment premium listed on their Form 1095-A may be different from their plan's full monthly premium amount. This difference does not always mean there are errors that need to be corrected. To learn more about how to use [Form 1095-A](#), click the link for more information.

Find Local Help Updates

The [Find Local Help tool](#) has been updated to make it easier for consumers to find you. Agents and brokers who have a primary residence in a state that uses a State-based Marketplace, and who are also licensed to sell health plans in a state that uses the Federally-

facilitated Marketplace (FFM), will now appear in the FFM statewide search.

Remember, to be eligible to assist consumers any time with their Marketplace coverage, you must [complete all required registration and training steps](#).

Thank You for Your Feedback

The Centers for Medicare & Medicaid Services (CMS) would like to thank everyone who completed the 2018 Marketplace Agent and Broker Feedback Questionnaire. CMS values your input and uses it to improve the Marketplace experience so we can better serve the agent and broker community. CMS will be analyzing the results in the weeks ahead. Stay tuned to learn more!
