

THE RIGHT VISION PLAN MAKES ALL THE DIFFERENCE

Vision benefits are highly desired by employees and can be a smart and easy way to help your clients manage their benefits costs while promoting employee productivity, satisfaction and loyalty.

With a MetLife vision plan, your clients can count on:

- **Savings:** Your clients will receive better rates when they bundle vision with other MetLife products, such as dental.¹
- **Ease of administration:** Clients will benefit from integrated and simplified implementation, billing and exceptional service when they add vision to an existing or new MetLife benefit.
- **Convenience and choice:** Employees will have access to a network with over 86,000 access points that include private practice and retail center locations – more than 90% offer extended and weekend hours.
- **Customer-focused solutions:** Guided by the latest research and market trends – our plans include highly desired features that may only be offered as options by other carriers.
