Note: We have included 2 options to get audio:

1. We have selected VoIP, meaning that rather than you calling in to hear the WebEx, you will just click the link you will receive and then use your computer to both watch and hear the WebEx. (You can attach external speakers to your computer as well.) As always, you will use the Chat feature to ask any questions.

2. For those who are not able to use VOIP, we have dial information for you - Dial in - 888-330-1716 and Access Code - 3469433

Thank you in advance for your participation and we look forward to seeing you there.
