

Horizon Broker Education Series: OMNIA BlueCard Launch and Dental Updates

As part of their continuing Broker Education Series, Horizon Blue Cross Blue Shield of New Jersey is pleased to announce the upcoming Broker WebEx: **OMNIA BlueCard and Dental Updates**.

Their OMNIA Health Plans have helped employees save with leading providers in New Jersey. Now, their most innovative plans for Small Groups include the out-of-state coverage you've been asking for, and for Midsize Markets, more comprehensive Tier 2 benefits for more competitive out-of-state coverage. In conjunction with the launch, they are also introducing enhancements to their Horizon EXPAND Dental plans for Small group Employers.

Each presentation is scheduled for one hour and will include an opportunity for questions.

Note: They have included 2 options to get audio:

1. We have selected VoIP (no telephone), meaning that rather than you calling in to hear the WebEx, you will just click the link you will receive and then use your computer to both watch and hear the WebEx. (You can attach external speakers to your computer as well.) As always, you will use the Chat feature to ask any questions.
2. For those who are not able to use VOIP, we have a dial in for you - 800-423-0176 and participant's code is 020815

Thank you in advance for your participation and we look forward to seeing you there!
