

2018 AHIP Certification

AHIP certification time is upon us! Now there's one single source for both Medicare and Fraud, Waste and Abuse (FWA) training!

In order to sell UHC/AARP Medicare Supplement Plans, as well as other carrier's Medicare Advantage and Part D plans during the Annual Enrollment Period (AEP), some insurers may require you to complete AHIP's Medicare training courses. Completing AHIP assures that agents are compliant with the latest CMS guidelines and regulations.

Typically, the AHIP test costs \$175, but many carriers offer a discounted rate of \$125 if you take the exam through their carrier portal.

For more information about AHIP, why you might need it, and how to get the discounted rate, please contact Matthew Pang at 609-356-1500 ext. 341.
