Vantage Flex 65[®] and Vantage Recovery[™] available in additional states

Bankers Fidelity Life Insurance Company[®] is pleased to announce the immediate sales release of our new Senior Security[®] Series Vantage Recovery Short-Term Care Nursing Facility Confinement product in **Louisiana, Oklahoma, and West Virginia**. Additional state availability will continue to be announced as it's approved.

Vantage Recovery will replace the current Short-Term Care (B 9305) product, effective immediately. Please destroy existing materials you may have. Any applications for the Short-Term Care (B 9305) product currently in house or dated prior to 3/5/2018 will be processed. Any applications dated on or after 3/5/2018 will be returned.

Additionally, a B 9305 Short-Term Care policyholder with a current policy can qualify a new Vantage Recovery application for a Household Discount Rider. However, the current B 9305 Short-Term Care policyholder will not receive a household discount.

All forms and tools needed to educate yourself and write business are available in the ADDS Library. Also, try out our rate engine, which allows you to easily build plans and calculate rates for Vantage Recovery. The rate engine can be found under the eApp tab in ADDS.
