

SEE HOW VANTAGE RECOVERY™ Stacks Up Against The Competition

Vantage Recovery, the Short-Term Care coverage option from Bankers Fidelity®, offers benefits that can help cover the costs of recovery in a nursing care facility or at home after an illness or injury. With Vantage Recovery, individuals can recover on their terms while alleviating some of the stress and financial worry associated with these unexpected events.

In order to help you better sell Vantage Recovery to your clients and boost your business, we have assembled an extensive library of sales support materials available through the ADDS®portal.

One of the most valuable tools at your disposal is our product comparison guide, which provides an easy-to-understand summary of how the benefits offered by Vantage Recovery size up against the competition. This handy guide is the perfect resource to help you answer clients' questions about short-term care coverage while you're out in the field. You can download a copy of the product comparison guide by clicking on the button below. Please note that this chart is designed for agent use only.

In addition to the product comparison chart, don't forget that our Agent Support team is always here to help you achieve your goals. Whether you need additional information about our products or current rates, have a question about filling out an application, or need to order supplies, our team is just a call or email away.

To learn even more about the advantages of Vantage Recovery, contact us by calling 866-458-7503 or emailing agentsupport@bflic.com.
