

We're excited to announce that we're holding our rates for **2-49 enrolled employer groups** through January 1, 2019; new business written in 2018 will enjoy a **24-month rate guarantee**.

That's great news for groups—and great news for you, as **you won't have** to renew dental for two years!

We're focused on finding ways to make it easier for you to offer big benefits to small businesses. For more information on this or other ways that we can support your practice, visit the New Jersey Small Business Program area of our website, or contact your General Agent.

Best Regards,
