

## THE RIGHT INSURANCE COMPANY MAKES ALL THE DIFFERENCE

Life insurance can be more than just a claims payout. MetLife Advantages<sup>SM</sup> helps employers offer highly desired services at no additional cost to them so that they can be confident in their decision to offer MetLife. And – it enables you to grow your business with a carrier that you can trust.

[MetLife Advantages<sup>SM</sup>](#) is a customer-focused solution that brings more value to your clients.

### Employees get:

**Support** services that provide comfort and guidance for challenging times

**Professional and in-person planning** resources when it matters most

A range of **protection** solutions that are portable for continued coverage

### Employers benefit with:

**Reduced** absenteeism

**Increased** productivity

**Satisfied** employees at \$0 additional benefit cost

**METLIFE ADVANTAGES<sup>SM</sup>**

Enhanced benefits appreciation, improved productivity and comfort in knowing your employees have support and protection when they need it most

**Help Protect What Your Employees Care About Most**

MetLife provides expert guidance and customer-focused solutions so that you can feel confident about your benefits program. MetLife Advantages<sup>SM</sup> is a comprehensive suite of services available as part of your group life insurance plan.

We offer valuable services that provide access to support, planning and protection resources that empower employees, both personally and financially.

Providing these services can help promote a healthier work-life balance by saving employees' stress levels... ultimately increasing productivity and reducing absenteeism in the office.
