You're Getting a New Medicare ID Card!

Hello Jessica,

Martin Insurance Group prides itself in making sure that our clients are in the know. With that, we wanted to pass along this message to you...

Between April 2018 and April 2019, the Centers for Medicare & Medicaid Services will be removing social security numbers from Medicare cards and new cards will be mailed to you. This will help

keep your information more secure and help protect your identity.

You'll get a new Medicare number that's unique to you, and it will only be used for your Medicare coverage. The new card won't change your coverage or benefits. You'll get more information from Medicare when your new card is mailed.

Here's how you can get ready:

- Make sure your mailing address is up to date. If your address needs to be updated, contact Social Security at ssa.gov/myaccount or 1-800-772-1213. TTY users can call 1-800-325-0778.
- Beware of anyone who contacts you about your new Medicare card. The center for Medicare & Medicaid Services will never ask you to give them your personal or private information to get your new Medicare number and card.
- Understand that mailing everyone a new card will take some time. Your card might arrive at a different time than your friend's or neighbor's.

If you have any questions, please feel free to contact us here at Martin Insurance Group.
