

## Healthcare.gov Deadline Extended Sign up by Dec 17th for Jan 1st Coverage

Because of unprecedented demand at HealthCare.gov and the Marketplace Call Center, they're extending the deadline until Thursday, December 17th at 11:59 p.m. PST for coverage to be effective January 1st.

This additional 48 hours will give people the chance to call and enroll, or come back and complete their enrollment for coverage effective January 1st.

As a reminder, this is only for On Exchange Individual coverage for a January 1st effective date.
