Nippon Life Benefits continues to offer an extensive variety of Dental plans that are sure to meet any of your benefit and premium needs.

A few plan features include:

- **Aetna Dental® Administrators Network**: Access in 50+ states with nearly 169,000 available dental practice locations
- High-end plan designs: **NEW!** 100/100/100 In & Out-of-Network with 90th UCR
- Plans with **Maximum Allowable Charge*** available
- Implants covered (10+)
- Composite (white) Fillings covered on posterior/anterior teeth
- Rollover Included
- Dependent coverage to age 26

*Maximum Allowable Charge (MAC): For covered services provided by Out-of-Network Providers, Nippon Life Benefits will reimburse based on policy provisions up to the maximum allowable charge (MAC). Out-of-Network Providers may bill insureds for amounts in excess of the amount reimbursed by Nippon Life Benefits. Selecting an In-Network Provider ensures the lowest out-of-pocket costs.
