## Great news!

Through our partnership with QualCare Management Resources and the Affiliated Physicians & Employers Health Plan (MEWA) we are excited to announce the successful implementation of a direct claim feed that will begin on Monday, March 9th!

**What does this mean for your employees?** This new enhancement now eliminates the need for your employees to file claims to O.C.A. Benefit Services. On a weekly basis O.C.A. will receive a claim feed from the MEWA identifying the participants medical HRA/FSA claim activity. Any claims eligible for reimbursement under the participant's benefit will be reimbursed directly back to the participant!

## No more submitting claims!

We're very excited to offer this new enhancement. For any questions, please don't hesitate to contact our office at 609-514-0777.

Best,

The Staff at O.C.A.
