# ENHANCING BROKER & GA EXPERIENCE

OCA is pleased to announce the addition of two positions designed to enhance broker and GA experiences.

## **John Crotty**

**New Jersey Regional Sales Manager**

OCA welcomes back industry expert John Crotty to the TPA world. With a combined 10 years of TPA and carrier experience, John is a familiar and welcome face to the brokerage community. John will head up the NJ sales team as our NJ Regional Sales Manager. John's reputation and broker relationship base are just a few of the key assets he will bring to his new position. "John recognizes that one of our core strengths is our focus on reducing employer and consumer health care costs that can be unlocked through consumer education and an eye on complaint plan operation. We are delighted to bring John on board" said Stephen Honig, President. "With all of the historical flux the TPA world has undergone the past five years, I wanted a home that had secured its ownership through the next generation. There's no other TPA with a better reputation than OCA" said Crotty.

## **Karen Curry**

**Broker Service Coordinator**

In a newly created position, Karen will serve as a direct line for brokers and our General Agent partners seeking guidance or assistance with any aspect of our programs from a

group implementation to a service concern. "With our growth continuing at a rapid pace, we wanted to create a key contact that can be readily available to our Brokers and General Agent partners" said Ross Honig, Senior VP of Business Development. With 8 years of prior TPA and broker experience, Karen brings a wealth of experience and industry knowledgeable to her new role which began on June 19th. Known for her attention to detail and caring about assisting her clients, Karen can't wait to begin her new role as a Broker Service Coordinator.
