

O.C.A. Benefit Services

Your Prescription to a Healthier Bottom Line

Update: HRAs and Health Care Reform Fees...

The Patient- Centered Outcomes Research Institute (PCORI)

Starting yesterday, O.C.A. began issuing the PCORI fee calculation report to all applicable HRA groups. The report will be mailed via USPS to the employer address as well as being uploaded to the employer portal on myRSC (www.myrsc.com). An email will also be sent to each applicable employer notifying them that the report is now available for viewing online. Remember, O.C.A. cannot pay this fee on behalf of the employer. Each employer will have to complete IRS Form 720 ([Click here to view IRS Form 720](#)) and remit the calculated fee payable to the United States Treasury.

Important: HRA groups with a 1/1/14 or after effective date will not have to pay the PCORI fee until July 31st 2015.

If you have any questions, please contact O.C.A. directly at 609-514-0777.

Sincerely,

Staff at O.C.A. Benefit Services
