Health insurance in a box

We've worked hard to make sure that everything we create is

thoughtfully-designed, simple to use, and easy to understand—from our insurance plans and benefits, to our app ([Android](#) and [iPhone](#)), our [website](#), and the Oscar [welcome kit](#).

Inside member's will find their Oscar membership card, a breakdown of how everything works, answers to all health insurance questions, the nitty gritty of the plan, and some nifty Oscar stickers!

Let us know if you have any questions.
