Attention: January grace period has been extended.

Your clients now have until 1/31 to pay their first premium.

We've extended the grace period for new members to make their first premium payment. Whether your client was enrolled on or off-exchange, they now have until the end of January to effectuate their coverage.

Members have a few options when making their premium payments!

1. [Logging in to their Oscar member profile](#) and making an ACH payment using their bank account information. Members can also turn on recurring ACH payments and paperless billing through their profiles. We strongly encourage this route!
2. Calling in to 855-OSCAR-55 and making an ACH payment over the phone. Members can request that we turn on recurring payments for them, as well!
3. Mailing in a check or money order to Oscar. Specific instructions will be included in the paper bill, but the basic guidance is to:
 - Put both the paper bill stub and signed check or money order in the envelope

- Add the OSC# (member ID) on the memo line of the check
- Send it to the address below:
