

OSCAR 2018 Producer Onboarding

It's time to get appointed with OSCAR!

All agents who would like to be a BOR and receive commissions will need a personal writing number and, therefore, will need to complete the Appointment Process. It's very straightforward and shouldn't take more than 5 minutes.

Please [click here](#) to get appointed

When prompted, select Martin Insurance Group under the dropdown as your General Agent.

Please note that Oscar will be operating under a different insurance license in 2018 and, therefore, all agents that were appointed previously must complete the appointment process again in order to be compensated. We'll be following up in a week or so with an email campaign to encourage brokers to get re-appointed.
