

We heard you, and it's now here. [The Oscar app is available in Spanish!](#) Share this exciting news with your Oscar clients with our [one-pager](#). To ensure the Oscar app shows in Spanish, your clients must simply ensure they have the most recent version of the app downloaded and that their phone language is set to Spanish.

Your clients can make the most out of their Oscar plans when they download the Oscar app. There's so much that can be done right from the Oscar app, including:

- View digital member ID card
- Message their Care Team with questions
- Request a call or secure message consultation with a doctor
- Make a payment anytime

The Oscar Demo app is also now available in Spanish! In case you missed it, the Oscar Demo app is a tool we made just for you, our valued broker partners. This app allows you to demo the Oscar member experience to your clients, so you can tell and show them what Oscar has to offer. Download our [how-to guide](#) to learn how to download and demo the app.

Did you know? You can check if your Oscar clients have downloaded the Oscar app

in your Broker Portal. You can also check if they've activated other Oscar features to make sure they're getting the full value of their Oscar plans. See full instructions [here](#).
