

You asked, and we listened. **You can now enroll on-exchange clients directly through your [Oscar Broker account](#).** At this time, only the **Federally Facilitated Marketplace (healthcare.gov)** is supported. For state-based exchanges (e.g., Covered California, NY State of Health, Connect for CO), you will have to enroll through the respective state exchange website. Please note that this only applies for initiations (clients new to Oscar) and does not apply to renewals.

Better Healthcare.gov enrollments

We've partnered with Healthcare.gov for a secure and streamlined application experience. This should take about 10-30 minutes.

Once you've finished, you'll be returned to Oscar to finalize your enrollment. Don't worry, we'll save where you left off!

Enter your exchange username to proceed:
