

Based on the great response to our 2019 **New Jersey Broker Bonus Program**, we will be extending the program through Q3 for new groups enrolled in our New Jersey service area with 7/1 - 9/15 effective dates.

The bonus program rewards our partners \$50 for every employee enrolled in a group. Make sure you review the **program's terms & conditions**, and reach out if you have any questions.

Thank you for your partnership!
