Oscar Broker Open Enrollment Newsletter

A weekly roundup of Individual and Family plan updates.

SEPTEMBER 25, 2020

[01 Announcements](#) | [02 Regional updates](#)

[03 Important dates](#) | [04 Upcoming events](#)

Announcements As you may have seen, **Oscar is expanding our 2021 Individual and Family Plan offerings to 18 states and 45 markets, including 17 new markets**, pending regulatory approvals.

We're making it easy for you to quote plans for your clients. Our new plan quoting tool will allow you to quote multiple Individual and Family Plans at a time and download them into a digestible PDF to share with your clients. To access the new quoting tool, look up your National Producer Number (NPN) with the [National Producer Number Search](#) tool, and add your NPN to the end of this URL to create your custom broker link: [hioscar.com/get-quote/\[Add your NPN here\]](https://www.hioscar.com/get-quote/[Add your NPN here]) (example: www.hioscar.com/get-quote/0123456789)

We're making it easy for you to submit payments for your clients.

Oscar is building a brand new Broker Payment Center, which will allow you to more seamlessly pay on behalf of your clients. We've integrated with healthcare.gov (and Covered California) to allow you and your clients to pay immediately upon enrollment on the exchange. This integration will also apply to Enhanced Direct Enrollment (EDE) entities – meaning you'll also be able to pay immediately upon enrollment for on-exchange applications through EDE entities in FFM states. Our new payment form available from your Oscar Broker account pre-populates demographic information, so all you have to enter is the payment information.* Plus, you can now choose to pay the total balance due, total overdue balance, or a custom amount.

We're making it easy for you to renew your clients. In your Oscar Broker account, you will be able to see the renewal activity for your entire book of business. You will even be able to explore Oscar plans and actively renew your off-exchange clients directly from your account. To renew on-exchange members, you will be directed to the exchange for active renewals. On-exchange members can also see their renewal options in the Oscar member app.

Learn more about Oscar and how to work with us at hioscar.com/brokers. Log in or create your Oscar Broker account at business.hioscar.com.

**In your Oscar Broker account, payment can only be submitted after your client appears in your book of business. Your client will typically appear in your book of business within 24 hours of enrollment.*

Regional updates

No updates for this week! In the meantime, you can visit hioscar.com/brokers to find plan documents, training resources, marketing materials, and more.
