Let's Rock and (en)Roll

Time to get ready to sell!

Open enrollment is right around the corner, and we've been preparing to make this our biggest year yet! (We're expanding into 2 new states and are excited to get to work.)

We've updated our broker website with new resources and will be sending you updates over the next couple of weeks to get you ready for Open Enrollment 2016.

[If you haven't already, get appointed with us so you're ready to sell on November 1.](#)

Be on the lookout for more updates soon,

The Broker Team at Oscar
