

Preparing to return to the worksite. Are you and your employees ready?

Talk with us as you assess your organization's readiness and begin developing your strategy for a successful transition.

As employers across the country prepare to return to their worksites, careful and deliberate planning can help make it a successful transition.

At UnitedHealthcare, we're ready to help. Contact one of our representatives today and receive up-to-date information on COVID-19 testing, information to assess your organization's readiness, state-specific return-to-worksite information and more.

You'll get access to our Return to Worksite Toolkit featuring:

COVID-19 Testing Updates:

The latest information about the facts of COVID-19 testing.

State-specific Information:

State maps with links to websites and local public health information.

Readiness Information:

A helpful summary of detailed considerations as you develop your specific strategy.

Contact Us Today

Talk to your UnitedHealthcare representative or visit us online to learn more about our Return to Worksite Toolkit. Get the information and support you need to develop a plan for a successful transition back to the worksite.

Sign up for live webinar series, updates and more.

Want the latest updates from UnitedHealthcare on COVID-19 and the steps you can take to respond? Talk with your UnitedHealthcare representative to receive information about our ongoing series of employer webinars, links to important updates and other news.
