## January 1, 2016 Prescription Drug Lists for New York and New Jersey Clients

The attached Prescription Drug Lists (PDLs) are effective on January 1, 2016 for Oxford plan members in New York and New Jersey with an Advantage or a Traditional pharmacy benefit plan, as well as any new Oxford pharmacy benefit business in those states effective on or after January 1, 2016. PDLs for Oxford plan members in Connecticut with an Advantage or a Traditional pharmacy benefit plan are not yet ready for release. We will send you an update when they are available.

Please ensure your New York and New Jersey customers are aware of and can access the new PDLs. To confirm your customers' PDL, please contact your Oxford representative.

PDLs are posted to the [oxfordhealth.com](http://oxfordhealth.com) Member, Employer and Broker portals. Flyers summarizing changes made for January 1, 2016 are being prepared and will also be available there.

### Communications

#### Members

- Members taking select maintenance medications impacted by a change will receive a letter noting lower-cost alternatives prior to January 1, 2016. Members have also been directed to [oxfordhealth.com](http://oxfordhealth.com) to learn more about their pharmacy benefit, and have been informed that they may call us at the toll-free phone number on their health plan ID card designated "For Members" with medical and pharmacy questions.
- The PDLs and the summary flyers are posted on the [oxfordhealth.com](http://oxfordhealth.com) Member portal under Tools & Resources > Practical Resources > Your Pharmacy Coverage > Prescription Drug List.

#### Employers

- The PDLs and the summary flyers are posted on the

oxfordhealth.com Employer portal under Tools & Resources > Access to Care > Oxford Prescription Drug List.

## Brokers

- The PDLs and the summary flyers are posted on the oxfordhealth.com Broker portal under Tools & Resources > Access to Care > Oxford Prescription Drug List.

## Physicians and Pharmacies

- We also communicate updated PDL information to physicians and pharmacies.
