In May, we released the July 1, 2015 PDLs for Oxford plan members in New York and New Jersey.

Connecticut PDL Highlights

- In the Connecticut Traditional PDL, all Tiers 2 or 3 generic medications have been moved to Tier 1.
- In the Connecticut Advantage PDL, most Tier 2 generic medications have been moved to Tier 3, while generic medications in Tier 3 stayed in Tier 3 due to the coinsurance benefit structure. Some Tier 2 generic medications were also moved to Tier 1 if there were no therapeutic equivalents available.
